Joint Task Force (JTF)/ Functional Component Commander (FCC) Headquarters Training, Readiness & Certification

WWJTSC Update

COL UB Brown, Deputy Joint Force Trainer-SP

Joint Task Force Training Readiness and Certification

Status: IPT co-leads JS and JFCOM, DAWG decision for JFCOM to lead effort. Two working groups established working this effort.

Concept: Combatant Commanders certify training and readiness of designated JTF HQ.

Issues:

- Training, readiness standards approval(Est completion date: XXX 06))
- Readiness reporting process
- Manning and equipping designated JTF HQ's
- Training support requirements FY 07 and beyond
- Resources to implement

Actions required: Iterative and collaborative process

Identification and prioritization of specific JTF HQ's for training and certification in

FY 07 and beyond

Develop plans to mitigate training support shortfall

Plan to mitigate resource shortfall

The Certification Process (Proposed)

Seven Step Process: Holistic Approach

ADD: GFMB recommends designation and priority to CJCS for final approval.

- CoCoMs designate Service HQs as JTF HQ
- CoCoMs report JTF HQ/FCC readiness via JQRR in regards to manning, training, and equipping.
- JTF HQ/FCC reports readiness in GSORTS and DRSS.
- JTF HQ CMDR ICW CoCoM develops Joint Training Plan for the respective JTF/FCC HQ
- JTF HQ conducts joint training IAW CJCSM 3500.05A, JTF-HQ Master Training Guide and CoCoM requirements
- JTF CDR makes “Mission Ready” Report to CoCoM, based on readiness status and Commanders assessment.
- CoCoM approves “Mission Ready”
